About this item

A rare and tasty piece of cookware. This 2 litre "Le Romarin" pattern dish is from Corning Ware's Spice O' Life line -- up there with Blue Cornflower as the most in demand pattern. It's made of pyroceram.

The base is white with a pattern featuring artichokes, tomatoes, onions, mushrooms and, of course rosemary, on both sides of the dish.

Rare size and lid combination.

In excellent condition.
